

BUILDING USE POLICIES & APPLICATION

Welcome! Making Peace Church available to the community is part of our mission

MISSION: We expect that groups using our building will honor our mission statement:

“Our vision is to be an accessible, open, and affirming community, growing in Christian faith, committed to peace and justice, and building the beloved community. We strive to respect and value all of creation, and the diversity of people’s sexual orientation, gender expression and identity, class, race, culture, age, and physical and mental abilities.”

LIABILITY: Groups or individuals using the Peace UCC facilities agree to assume full responsibility and are financially liable for any bodily injury, property damage, and/or other damages suffered by members, attendees, or others in conjunction with the event. Organizations with insurance must provide a certificate of insurance listing Peace United Church of Christ as an additional insured. Events with 100+ attendees may be required to provide special event insurance if not already insured.

BUILDING ORIENTATION: All group leaders must attend a building orientation to review building safety and go over event details before their application can be approved. Recurring groups must attend a building orientation yearly. A kitchen orientation will also be required when renting the kitchen (see kitchen policy pg. 3).

DOOR ACCESS: You must list the earliest arrival time and latest departure time on your building application for the building to be reserved and unlocked at the appropriate time. Depending on your group, we will either give you a door code or set the automatic door(s) to be auto unlocked for an agreed upon timeframe. This will be part of your building orientation, and the group leader is responsible for informing all participants of the door access location and timing. We are not responsible for letting your group into the building earlier than noted in your application.

ROOM ASSIGNMENT: Groups are not free to use locations other than those assigned. Changes in meeting locations must be approved through the church office beforehand. Please inform us of cancellations. If we need to change your location, we will give you as much advance notice as possible.

CHILDCARE POLICY – SUPERVISION OF CHILDREN & YOUTH: When children are present at your event, you are liable for them, and it is your responsibility to provide adult supervision for them. Parents must always be supervising their own children unless your event is providing childcare, in which case you must follow these supervision guidelines:

1. No fewer than two adults must always be present.
2. These adults must be 18 or older and must be at least 5 years older than the children with whom they are working.
3. At least one of the adults present must be currently certified in First Aid and CPR.

SMOKING/ALCOHOL/HANDGUN POLICY: The Peace Church building is smoke-free and alcohol-free. Handguns are not permitted on the premises.

CANDLES/FIRE: No use of candles, burning of sage, open flames, or smoke/fog of any kind is allowed. It will set off the fire alarm, and the fire department will be notified, and you will be responsible for their fee.

STORAGE: There is no excess storage available for organizations other than church groups and, as such, all organizations using the facility will be responsible for storing their materials offsite.

STRUCTURES, FURNITURE, APPLIANCES: The addition of furniture, appliances, or temporary or permanent structures is not allowed without prior written consent from the Peace UCC Property Committee. This includes anything that attaches to the floor, wall, or ceiling.

ADVERTISING: If you advertise your event, it must be clear that Peace UCC is not sponsoring the event and the church phone number should not be listed as a contact in your advertisement. Partisan political groups are not allowed to advertise within the church.

KITCHEN USE POLICIES

KITCHEN ORIENTATION: This is available by appointment and must be scheduled beforehand with the person who is responsible for your group's kitchen use from start to finish. If you need to drop off food to store in our fridge or freezer, or if you need to prep food the day before your event, you must inform us of these needs and times in this application. Storage space is not guaranteed, but we will do our best to accommodate your request. Kitchen prep outside of your event day requires approval and an additional kitchen fee.

SUPPLIES: You must provide your own consumable supplies (this includes coffee, cream, sugar, etc.) as well as your own tablecloths, placemats, and napkins.

DISHES: The use of washable dishes, silverware, and pots/pans that are stored in the kitchen and hallway is included in the kitchen rental fee. Use the dishwasher to wash all dirty dishes, then return the dishes to their appropriate cupboards. Remember to turn the dishwasher heater off! If you use the three compartment sink to wash larger dishes, please follow proper serve safe practices and posted signs.

Compostable cups, plates, and napkins are available from our bulk supply for an additional at-cost fee on top of the kitchen rental fee, dependent on quantity. Note that we do not have compostable silverware, but you're welcome to use and wash our regular silverware.

APPLIANCES: Please follow the instructions for the dishwasher and stove, posted on the walls in the kitchen.

- Never leave the stove/oven unattended when in use and remember to turn everything off when done! Take note of the stove hood fan, fire blanket, fire extinguishers, and hood fire suppression pull in case of emergency.
- The large coffee maker is available for use with rental of the kitchen or Fellowship Hall, and instructions are in the coffee cart drawer. Allow 30 minutes for the water to heat up after turning on. Please handwash carafes when done and wipe up any coffee spills.

CLEAN UP: Please leave the kitchen as you found it. Our custodian fee does not include cleaning of the kitchen.

1. Wash and return dishes to their labeled locations when fully dry.
2. Sweep the floor and mop any spills, if needed.
3. If you use our towels, they can be placed in the laundry basket for us to wash.
4. Do not leave any food in the refrigerator or on the counters. Any food left will have to be disposed of.
5. Make sure that all appliances are turned off (coffee maker, dishwasher heat booster, stove/oven)!

GARBAGE/RECYCLING/COMPOST: Please separate and bring to the dumpsters in the lower lot by the shed

1. All garbage must be inside the dumpster, or we are charged a fee.
2. Please recycle properly. We recycle paper, cardboard, glass, plastic, and metal/aluminum cans. NO paper or foam plates/cups, NO food, NO plastic silverware. Make sure that cardboard is broken down.
3. Please compost food waste and BPI certified compostable dishes only.
4. You will find new garbage and compostable bags by the kitchen window.

LICENSING: Our kitchen is commercially licensed for Peace Church use only. Non-church events or kitchen prep for catering may require a special event license. We may refer you to the MDH about licensing requirements and fees.
