Bret Pence of Minnesota Interfaith Power and Light is our guest. He will share information about rebates and incentives for homeowners and renters interested in increasing energy efficiency and reducing their carbon footprint.

Electronic givers.

We appreciate the regularity of gifts that are given through automatic withdrawals, and we love electronic gifts. AND we recognize giving as a part of our worship life. Look for the "I give electronically" cards in your pew, pick one up and drop it in the offering plate when it comes by.

The Giving Tree is up!

Peace's giving tree is in the narthex and includes gifts for CHUM shelter residents (socks and thermal mugs); toys that Loaves and Fishes distributes to parents to give to their children, and gift cards for teens at Lifehouse. Take one or more paper circles from the tree and bring back the requested gift on or before the due date printed there. We also have a box for non-violent toys and books to be distributed through Grandmother's for Peace.

Peace will participate in the interfaith Thanksgiving Service to be held on Tuesday evening, November 21st at Pilgrim Congregational Church, 2310 E 4th Street, Duluth. Our choir will join other choirs in singing; Pastor Charlotte will participate in the worship leadership. Come and give thanks!
