Areas of Interest and/or Activities that you have been involved with: _____

Please include a copy of your school transcript and a letter of academic reference from a teacher or academic counselor.

HELP US TO GET TO KNOW YOU

In 2004 Reverend Arthur Foy III died in a tragic car accident. In an effort to continue the important work he did here in Duluth where he served as pastor of St. Mark AME church, a scholarship fund was established in his name for students of color. Reverend Foy saw education as a crucial step out of poverty and worked hard to make it more accessible for all. This year the Foy Scholarship Fund will award at least one scholarship of at least \$1,500 to a student of color from the Duluth Superior area to continue their education in a post-high school institution.

Reverend Foy's vision of academic success stemmed from his belief that it's not where you're from, but where you're going in life that's important. With this in mind, tell us why you should receive an Arthur Foy III Memorial Scholarship and how you would fulfill his vision. Tell us about your contributions to the community, your extra-curricular activities, and your leadership experiences.

Please use a separate sheet of paper and limit your response to 500 words.
