

Special Offering: The Good Crocodile Foundation

The Good Crocodile Foundation is a non-profit community development agency that seeks to demonstrate God's love by working among people suffering from poverty and conflict. It will develop integrated agriculture with farmers in a way that respects and preserves the environment, provide community-based health care and other services, undertake education and training in the rural community throughout Timor-Leste, and initiate small business development in rural communities. You can donate by putting money in the offering plate labeled "Good Crocodile" or donate online with "Good Crocodile" in the notes.

Summer Schedule: One Service at 9:30

We are taking it easy this summer and moving to one service at 9:30am. We will worship outdoors under the tent, weather permitting, on **July 14th and August 18th**. Livestream will be available on all Sundays except the three outdoor worship services. Coffee hour will be held in the Fellowship Hall, and you can always bring your cup of coffee outside if you'd like to socialize under the tent.

Exploring Community Within Peace Church

On the card in your bulletin is this month's question for our exploration of community within the church. The prompts may help you discern what Beloved Community means to you. You are invited to write your answer on the back of the card and leave it in the "Drop Box" labeled, Exploring Community Within Peace Church.

Peace Church Garden

We are so excited that it is summertime! With summertime here it is time to start watering the garden. If you are able to help water and weed the garden contact the office at office@peaceucc.org to sign up.

11th Ave Construction

City road construction on North 11th Avenue East will take place in mid-July. There will still be access to our upper parking lot and flaggers will be directing traffic along the street. If you want to try to avoid construction traffic, our lower parking may be easier to access. We'll keep you posted on timing as we hear more!
