

Volunteers for Wednesday Night Meals

Wednesday mornings from 9:30am–10:30am or so, two volunteers are needed. One to help set up the room and one to help with food preparation. Usually this is vegetable prep for soup or baking muffins or breads for the evening meal. Carrie is there to guide you.

Around 3:00pm, two volunteers are needed to heat soups, load crockpots and move hot soup to the line, plate vegetable trays and salads for serving, cut fresh bread and place in baskets, and prepare a beverage table. Carrie is on hand for this process.

After the meal is complete at 6:00pm, two or three volunteers are needed to wash soup bowls using our commercial dishwasher (Carrie will train you!), wipe off tables, and pack up any leftover food. This usually is a 30-minute commitment.
