

Nursery volunteers are needed to help out with the kiddos from 10:30-11:30 a.m. We have staff there to handle bathroom breaks and diapering, but we need volunteers to read books, play games, do puzzles, build with block, or just play with the kids as needed. It's a fun, relaxed environment where kids mostly free play. One nursery is birth through age 2 and the other nursery is for ages 3-5.

You pick what dates work for you! We need two volunteers per Sunday with an additional volunteer as the back-up in the event we have many, many kids. Please check-in with the nursery staff at 10:30; in the event we have very few kids, staff will let you know if you can go to worship. Thank you so much for sharing your time with the kids.
